Vocational Centre at Pune

DBM opened its new Vocational centre at Pune on 5th December 2020.

The Centre is spearheaded by **Maj. T S Bevli** and **Col. Alexander** both retired from the Army and are keen to contribute for the society even after retirement.

But it is just not a symbolic name / logo change but it reflects the changed

aspirations and the new way of doing things.

We have dedicated ourselves to new work ethos, standardised processes, SOP's, using latest technology platforms like Salesforce, issuing e-donor receipts, amongst other things.

***For this we have some new faces in our team to assist us.
We welcome them all.***

Maj. T S Bevli

Col. Alexander

We welcome them and in our midst and hope that under their able leadership we will offer good vocational training to the underprivileged sections of society at Pune.

DBM - BCAS Get Together to Help Education of Poor Children

Bombay Chartered Accountants Society (BCAS) has been a valuable partner of DBM and its educational projects (Chalo English Sikhaye) to benefit the underprivileged children, for many years.

Apart from donating tabs for the children who do not have access to smartphones to attend online classes, **the members of BCAS have offered to volunteer to teach these children** as almost the entire academic year has been lost for them.

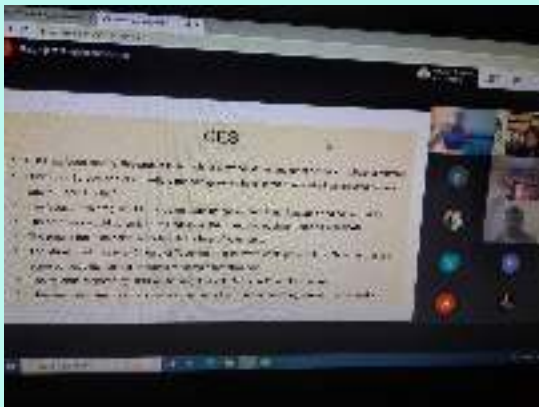

It is heartening to have the first batch of 30 such Senior Chartered accountants taking time off to help our children.

We had an orientation for all of them and they have begun taking classes from Saturday 19th December 2020.

Big Thanks to

BCAS President Suhas Paranjape and other office bearers, **BCA Foundation Committee chairman Mr. Mayur Nayak** and other members including **Meena Shah, Divya Jokhakar and KK Jhunjunwala**.

TAbs Distribution by BCAS and BCAF

BCAS & BCAF donated 50 tabs to slums school supported by DBM India to enable more students to study online

DBM Mega Placement Drive

On Saturdays 12th December & 19th December 2020, DBM held its mega job drive for all its vocational students, inviting companies to our vocational training centres, to interview the students.

This year they were all trained online and due to pandemic were facing issues of getting jobs. **47 of our students got selected in jobs on 12th December while another 40 got selected on 19th December 2020, which is quite an achievement in these times.**

Bringing Joy This Christmas - Thanks To Our Santa Claus
