### *Republic Day Celebration*

On the Eve of Republic Day we at DBM India **shared all the clothes, sarees and toys received from our kind hearted donors, with all the patients undergoing Cancer Treatment and staying at the Sant Gadge Ashram, Dadar.**

Our deepest Blessings to each one of you for spreading so much joy and love.

God bless you all.

Continuing our bit to assist the **people who still are suffering due to loss of jobs and reduced earnings, especially families of our school children who were earlier supported by our mid day meal program, we distributed ration kits to children of National English School, Mankhurd.**

**We thank M/s Byke Hospitality Ltd.,** for supporting this and for this noble gesture of celebrating Republic day in a befitting manner. They have been a consistent supporter of our Mid day meal prog for many years. **We also profusely thank Mr. K k Jhunjhunwala for ensuring this as always.**

***DBM Completed 13 Years on Jan 31st 2021.***

DBM celebrated its 13th anniversary by thanking all its friends, well wishers, volunteers and donors. It is because of them that we have been able to work always.

Moreover in this pandemic year all of them stood like a rock behind us and enabled us to offer succor to the people in need.

**From distributing close to 9000 ration kits, to supporting education and vocational training of underprivileged children, youth and women through Tabs, data packs, etc.,** they opened up their hearts and purses.

So while other NGOs could not even function, we were emboldened to open a new centre at Pune and shift our Santacruz centre to a new place in Khar.

We also expressed our gratitude to our team members who despite all odds never flinched from doing their

duties even during the Pandemic. **The team celebrated the day at Karjat with fun, games and some learnings. And came back rejuvenated to take our mission forward with increased vigour.**

---

Though it is just 2 months old -the DBM Pune Centre too celebrated the day with an informal get together of students and their parents.

**Muskan Sayyed - ordinary to extraordinary !**

Muskan's story is a story of an ordinary eighteen-year-old girl who achieved success with her determination & hard work.

Born in an underprivileged family in cheeta camp, Mumbai, Muskan's father worked as a daily-wager mistry/carpenter, earning a measly four thousand rupees a month. Her mother is a homemaker with three little children to take care of. Each day brought a new challenge for the impoverished family.
