Youth leadership Programme

DBM has partnered with Creatnet Education for a Youth Leadership Prog (YLP).

YLP aims to create leaders who believe that they are a part of transforming how education is imparted.

They believe they are influencing how people will be able to take advantage of emerging situations and turn them into learning opportunities and take responsibility for their actions- of becoming leaders through awareness and conscious choice.

The program has a vision to Create Self-driven volunteer led learning communities that:

1. Nurture life-long learning
2. Inspires and proliferates more self-driven volunteer led learning communities

DBM has been working on a number of programs to empower the underserved youth. This Program is an welcome addition. It has youth from all over india and they are selected through a rigorous process. 8 of our youth got selected and our undergoing the 5 month long program.

Covid Relief Project

As the Pandemic in its second wave started hitting people and the government announcing lockdowns, the daily wagers again started feeling the pinch.

DBM again geared up to distribute the Ration kits to the needy people and on 27th April we re-started our drive to help them, covering 200 families in the first week. The ration distribution will continue every week.

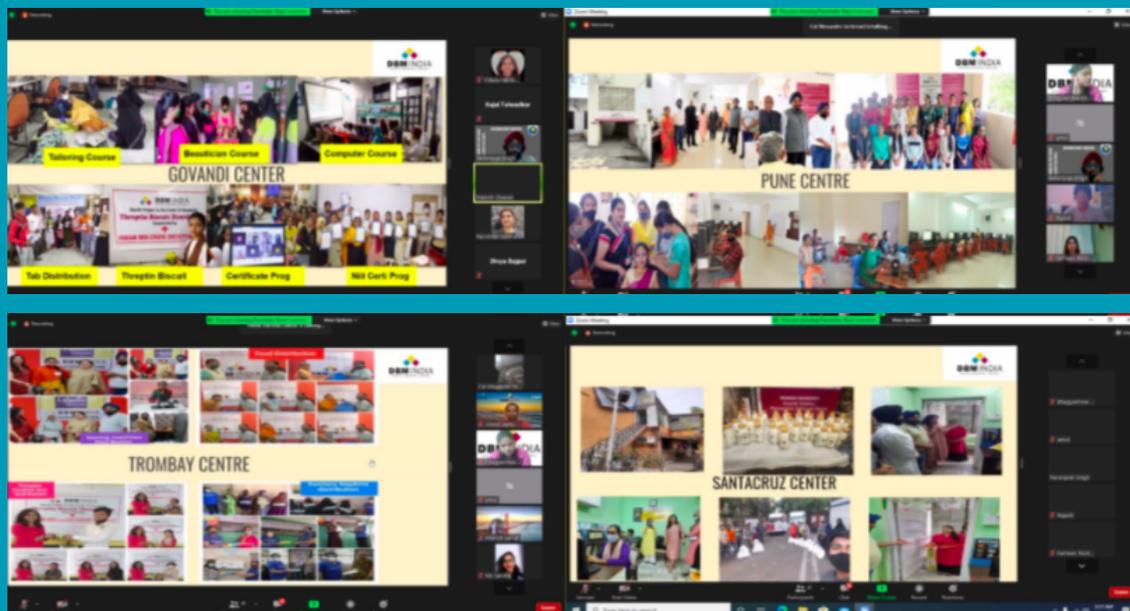

Annual Presentation by DBM Team

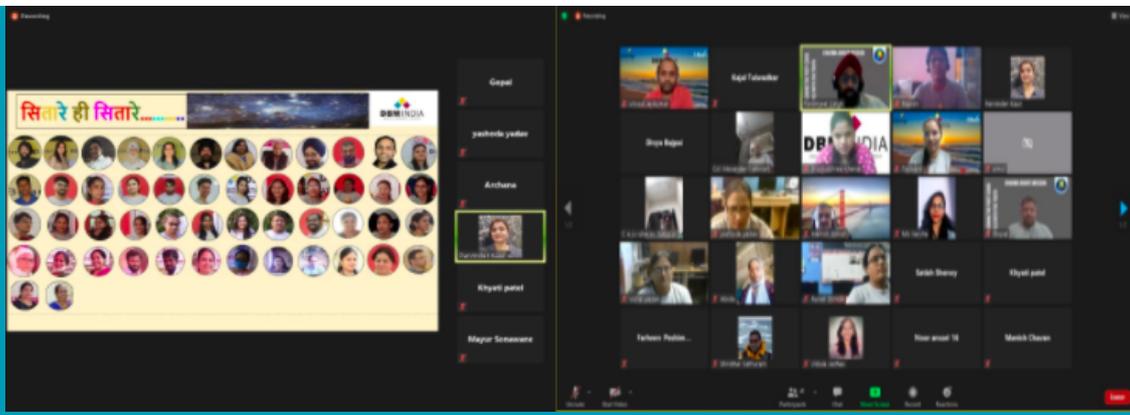

As per DBM tradition, after the financial year comes to an end, all Project leaders make a presentation before the DBM Trustees and DBM Mentors as regards the work done by them during the previous financial year.

They also outline their plan for the next year. and talk about how they propose to achieve that.

It was a very impressive performance by all of them and the DBM Trustees and Mentors congratulated the team for the excellent work that they did despite the Covid.

Covid Relief Project

As a part of the capacity building of team members, we conduct numerous training workshops both in house as well as through outside trainers.

This month we have tied up with volunteers from PayPal through IVolunteers to train our team members in Spoken english on one on one basis.

Each team member has been assigned a volunteer from PayPal and both fix a date and time convenient to them and have a weekly session.

We are very thankful to IVolunteers for this help and also thank the volunteers from PayPal who take time from their work schedule to help our team members in bettering themselves.
