## Capacity Building of DBM Team

As a part of our endeavor to help the team grow, we hold periodic capacity building sessions. This July we had a special event organized for the staff of DBM, which was entertaining and at the same time added lots of value as well. There was a series of team building games hosted by Ms. Vindiya Iyer, a renowned corporate trainer. The activities were designed to create a rich bond between the team that would help them to learn from each other.

The highlight of the program was the Statue of Liberty, and the best team was awarded. Overall the DBM family had a wonderful day filled with enjoyment and enriching takeaways.
