ANNIVERSARY

KUDOS TO DBM UDAAN SCHOLARS!!!

9th April, a DAY that will be etched in the memory of the 1st batch of DBM Udaan Scholars.

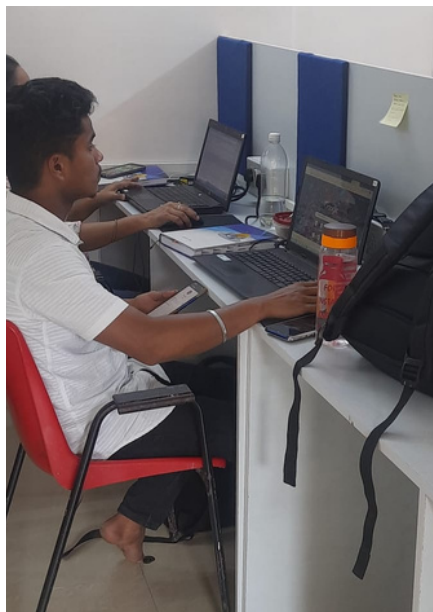

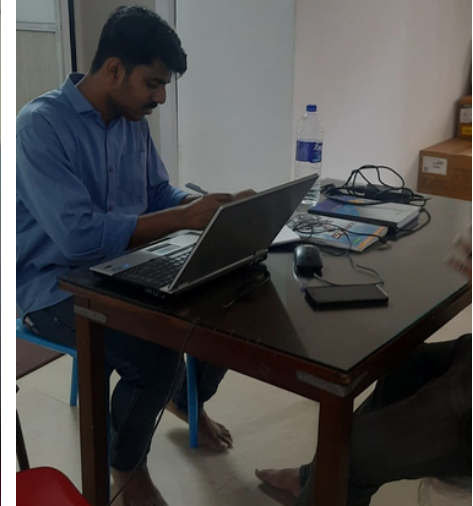

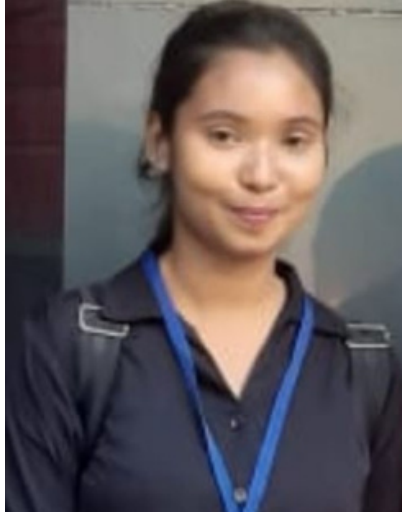

On this day in the eminent presence of our chief guest, Mr. Ravi Gulati, and Guest of Honor Prof. R.S.S. Mani the students proudly presented the 1st anniversary celebration of Udaan. On this momentous day, the team of Udaan showcased the growth of our students through skits, art, poetry, panel discussion, music, and dance. All the students had improved visibly in their academic performance, punctuality, English communication, confidence and it was a moment of pride to see the tapestry of talent unfold in an audience of 300+.

Many parents shared their experience of the Udaan journey and how it has helped shape and better their relationship with their children as a result of the regular counseling sessions held at our centres.

The New Batch of 40 students was introduced and welcomed.

ECCE ACTIVITIES

Early childhood care and education, also known as nursery education, is a branch of education theory that relates to the teaching of children from birth up to the age of eight.

DBM India, in collaboration with Muktangan, runs this 6 month NSDC Certified Course.

Our students enjoyed activity based learning, as they not only got to understand the students but also learn new ways of teaching.

ANOTHER STAR ACHIEVER FROM OUR M-POWER LIBRARY

POOJA KAILAS SURWADE

Pooja is 27 years old and comes from a middle-lower class family, and lives in Mankhurd with her joint family of 10 members. Pooja's father and mother work as domestic help. Their earnings are the only source of income.

Pooja came to know about DBM through her friends, and she joined the library. She began preparing for the Maharashtra Engineering Service (MES) and spent 7 to 8 hours everyday in the library studying.

Due to financial issues at home, her family was not fully supporting her studies.

In December 2022, her father died.

In this phase, Pooja became even more strong as she now knew she had to help her mother financially.

She was very motivated to clear her exam and get a job.

Finally, in March, 2023, she cleared her exam with first class and was placed in the Water Resources and Land Record Department and joined as a Junior Engineer with a monthly salary of Rs.60,000/-

Pooja Say's, "I am extremely thankful to the M-Power library for providing me with a motivating place which helped me maintain consistency in studying and also for providing the required books, laptops and conducting mocks test before the exam."
