ANOTHER FEATHER ADDED TO THE M-POWER SUCCESS

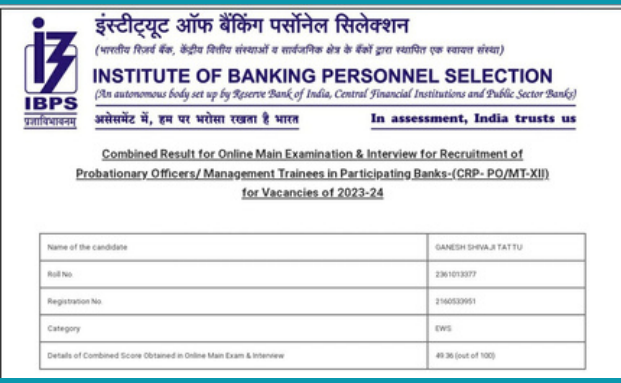

OUR Achiever...

I am **Ganesh Shivaji Tattu**, staying in Mankhurd, Mumbai. I am currently living with my mother. I completed my graduation in Mechanical Engineering from Savitribai Phule Pune University in 2018.

In October 2021, I started visiting the M Power Library, which proved to be an extremely useful resource for me.

I began preparing for the competitive exam for banking and thanks to the library's resources, I was able to secure a job as a **Probationary Officer in Punjab National Bank with a monthly salary of Rs. 55,000**. I cleared the IBPS PO Exam in 2022. In addition, I cleared the IBPS Clerk exam and got selected for Union Bank of India.

The **M Power Library** created a **friendly environment** that was more focused on studies and provided me with the **motivation and resources necessary** to achieve my goals. The library offers **books which are not easily available and laptops** that made it easier for me to achieve my targets. Furthermore, I was grateful for the **complementary mock interview**, which was very helpful during my exam preparation. I would like to thank all the staff members of the library for their support, and a special thanks to the DBM organization for providing me with this opportunity.

Thank you Donors for being with us every day...
