Science Fair

Deonar & Khar

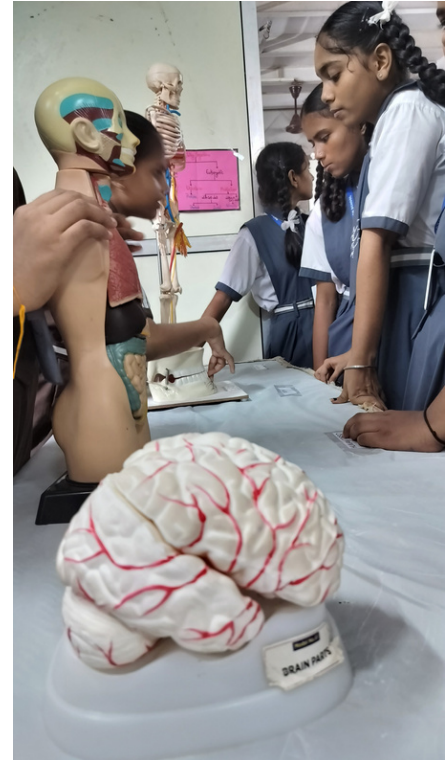

Following the success of last year's Science Fair event, we were thrilled to host yet another one this year for our Udaan Scholars. The event was inaugurated by Adv. Vandana Shah and our Rotarian members with great excitement. We welcomed eager children from various neighboring schools. Our Udaan Scholars showcased remarkable confidence as they explained the experiments to the students from the visiting schools. It was a true display of their hard work, dedication, and passion for science, making this event a memorable and inspiring experience for all involved.
